Insert Country Of Origin

This full size warmer from Chef's Supreme is designed to maintain the serving temperature of prepared food items safe above 140°F. A 12 inch by 20 inch full size pan fits perfectly in this warmer. It's an electric warmer with an adjustable thermostat to choose from a range of temperatures depending on the food type. With a stainless steel interior and vented cabinet, the countertop warmer features a durable construction to hold up with the demands of even the busiest restaurant. Ideal for use in buffets, concessions, bars, hotels, cafeterias, and restaurants, this full size buffet warmer is great for a variety of foodservice operations!
