This electric meat grinder from Chef's Supreme is great for light commercial use or for an avid outdoorsman. It's compact, portable design allows the operator to take it wherever it is needed, but don't let the size fool you. This meat grinder is powered by a 1000 watt motor and can process 2-3 pounds of meat per minute.

This meat chopper features a die-cast aluminum grinding head complete with a pan and auger. It is designed with both a "forward" and "reverse" switch to assist with your food processing applications. This meat grinder also has a built-in "overload protection" switch, which helps to ensure extended product life and operator safety. This meat chopper is easy to clean, maintain, and store.
